

## WISCONSIN STORMWATER PERMIT QUICK FAQs

**Stormwater General Permit Issuance Date:**  
6/15/2016

**Expiration Date:**  
5/31/2021

### **NOI Required to Continue Coverage:**

No. For facilities with existing permit coverage, there is no requirement to file an application for renewal at this time. The department will notify the owner or operator of the facility's continued coverage under the reissued permit.

### **Fee Required / Fee Amount:**

Tier 1 \$260 annual fee  
Tier 2 \$130 annual fee

### **Anything Interesting or Different than EPA MSGP?**

There are 2 permits for different tiers (types) of facilities. Tier 1 permits cover various "heavy" manufacturers such as paper manufacturing, chemical manufacturing, petroleum refining, shipbuilding/repair, and bulk storage of coal, minerals and ores.

Tier 2 includes "light" industries that engage in activities that may contaminate stormwater or have materials exposed to stormwater. The potential for stormwater exposure to industrial materials at these sites, while still a concern, is less than at Tier 1 sites.

The Tier 2 group includes: Facilities engaged in food processing, furniture manufacturing, paper products, or electronics; Non-metallic mineral

mining (e.g., sand, gravel, rock, and other aggregate); Transportation facilities with vehicle maintenance areas, and other industrial activities listed in NR 216.

### **Plan Required to Be Submitted to the Agency?**

SWPPP shall be submitted upon request. A SWPPP Summary (Form 3400-167) shall be submitted with the NOI when applying for coverage.

### **Visual Monitoring Required?**

Yes, Quarterly

### **Any other Monitoring Applicable to all Sources (not sector specific monitoring):**

Annual Facility Site Compliance Inspections for both Tier 1 and Tier 2; Annual Chemical Monitoring for Tier 1.

### **Minimum Inspection Frequency:**

Quarterly

### **Annual Report / Due Date:**

Yes, based on anniversary date of coverage under the general permit

*Disclaimer: This is not intended to be an exhaustive list of state stormwater permitting information. Please check with your state and/or local regulatory agencies for your facility-specific reporting requirements and deadlines.*
